

Kit EL-WK23

EXPOLIGHT™

This ExpoLight™ unit is designed to fit into a 10 x 10 exhibit space. The system features an easy to assemble no tools required lightweight aluminum framework that is backed by a lifetime warranty. The stepped back wall created depth with (2) 46" wide and a 23" wide full height backlit front face modules. LED lighting sources provide a bright white light. The freestanding front podium also features a backlit face. Rollable magnetically attached graphics are easy to install or easily changed out as branding requirements change. The unit packs down and ships in molded wheeled cases that can ship UPS or FedEx.

FEATURES

Full height aluminum framework with lifetime warranty

Rollable backlit front face graphics, black side end panels

Freestanding back wall and podium unit

Build by Numbers™ assembly

Ships UPS or FedEx in molded wheeled cases (option for traditional trade show crate)
