

Kit EV-WK08 EVOLUTION®

This Evolution® table top display is designed to fill an 8' table yet give a full height feel. The Industry's premier pop-up style display is a workhorse with over 30 years of industry presence.

The easy to use, sturdy yet lightweight expanding framework opens and locks easily. The hinged two piece flexible magnetic bars snap into place and allow the rollable graphics to magnetically attach to the system.

LED QuickSet™ wall washer lights come into play as the unit is set up drawing attention to the branding and image. The molded wheeled shipping container is outfitted with a case-to-podium conversion kit - giving it dual purpose.
