

Kit EV-WK03

EVOLUTION®

This full height serpentine designed Evolution® expanding frame is designed to fit into a 10' x 10' exhibit space. Unit features Evolution's lifetime warranted framework with hinged mag-bars and is clad in a full graphic image (2 concave, 2 convex and 2 end cap flexible / rollable graphic panels) that easily magnetically attach to the expanded framework. QuickSet™ lighting ensures lights come into position as the framework is expanded - no tools or stools required.

FEATURES

Full graphic image spread across all panels

LED wall washer style lighting.

Rotationally moulded wheeled shipping case (with optional case-to-podium kit it can be converted to a podium with top)

Evolutions lifetime framework warranty

Ships via FedEx or UPS in wheeled shipping container

Available options - SpiderMount internal monitor mounting system, case-to-podium conversion, LV5 Squid lighting
