

Kit RV-WK05

REVERB™

This full height Reverb™ back wall is designed to fit into a 10 x 10 inline exhibit space and provides a large full backlit front SEG fabric graphic, flat non backlit graphic end cap panels, and freestanding backlit Reverb™ podium. No tools required assembly can easily be done by a single person. Reverbs can become double-sided with the addition of lighting and a rear SEG fabric graphic. Ships in a wheeled soft-sided duffel with an option for hard sided shipping case.
