

MultiQuad®
The Last Exhibit You'll Ever Buy

Kit MQ-WK09

MULTIQUAD®

This inline MultiQuad® system is designed to fit into a 10 x 30 space and create a large graphic-filled back wall. This exhibit includes a 46" x 92" backlit section (left), the ability to house (2) 42" flush mount monitors, and includes lightweight canopies with LED downlighting across the entire back wall. The (3) 40" high podium units can be used stand-alone or with one another to create display, demonstration, or greeting areas. Easily attached digitally printed magnetic Quads are provided for the entire back wall face, insets, and ends, as well as all four sides of podiums. No tools required set up and Build By Numbers™ makes assembly a snap. Unit can ship in molded wheeled shipping containers that are UPS and FedEx shippable, or in a traditional trade show crate.

FEATURES

Full graphic Quads all visible surfaces (front, steps and sides)

Ability to reconfigure or cover the back with Quads

LED front face backlit 46" x 92" module

Stepped back wall

Components can be reconfigured for 10 x 10 or 10 x 20 uses
