

# Kit VM-WK12

VOOM™

This Voom™ expanding frame dye-sub graphic display is designed to fit into a 10 x 10 space. The 10' wide back wall provides a large graphic / branding area while the front flight counter unit allows for messaging as well as meet and greet, while having the flexibility to be moved left, right, or center. The lightweight pop-up style framework opens in seconds with simple hook and loop attachment of the graphic and allows for easy change out and installation. Transport is easy with soft-sided wheeled duffels (hard shipping cases available as well as LED lighting options).

## FEATURES

- Lightweight, easy to use framework
- Vibrant dye-sub graphics on the front face and sides of the back wall (and podium)
- Free standing podium unit
- Soft-sided wheeled duffels for transport
- Optional hard shipping cases or LED wall-washer lighting
- Designed for the budget conscious exhibitor
- Easy set-up and dismantle
