MULTIQUAD®

This 10' MultiQuad® unit is designed to fit into a 10 x 10 inline exhibit space. The lightweight aluminum framework uses the Build by Numbers™ assembly system to keep things simple. The unit is covered by MultiQuad's lifetime warranty on the hardware. Graphic Quads are provided for all front facing, inset and sides of the frame, and all sides of the podium. Quads magnetically attach to the framework and can be any printed image, color or look required for your branding. 30 LED stem lights for illumination. A freestanding 23" square counter provides surface area as well as storage below. Unit ships in rotationally molded wheeled shipping cases via UPS or FedEx.
