Kit EL-WK29

EXPOLIGHT™

This ExpoLight™ portable backlit display system is designed to fill a 10 x 20 inline exhibit space. It features a back wall of (4) 46" wide and (2) stepped 23" wide modules with the rollable front graphic faces backlit using LED light sources. A 23" deep x 46" wide MultiQuad® counter unit out front has a stepped back backlit graphic area and is 46" high with laminated top. This system requires no tools and uses the Build By Numbers™ assembly system. Modules can be reconfigured and the magnetically attached graphics are easily changed out. Framework hardware is covered by a lifetime warranty. This system ships in molded wheeled cases that can ship via UPS or FedEx.

FEATURES

Lightweight aluminum framework with lifetime warranty
