

MultiQuad®
The Last Exhibit You'll Ever Buy

Kit MQ-WK33

MULTIQUAD®

This MultiQuad® modular display system is designed to fit into a 10 x 10 inline booth space. The stepped back wall features included three recessed lighted showcase units, an overhead canopy system with downlighting, four low display pedestals along the back wall, and two freestanding podium units with showcases and downlighting. The lightweight aluminum framework assembles without tools using the Build By Numbers system. Unit can be reconfigured or added to. Magnetically attached Quads provide a visual effect on all front, stepped, and sides of the back wall and all sides of the podium. Hardware is backed by a lifetime warranty. Unit ships in molded wheeled cases via UPS or FedEx. The option of a small crate is available.

FEATURES

Lightweight aluminum framework requires no tools for assembly

Magnetically attached Quads are easy to install, move or change out

Showcases and pedestals provide product display areas

Easily reconfigured

Lifetime hardware warranty

Molded shipping cases ship UPS or FedEx (crate optional)
