

Kit SL-WK34

SILHOUETTE™

This full height Silhouette™ 5' back wall with Flight podium unit is designed to work in a 5' to 10' wide booth space. The lightweight tubular framework requires no tools for assembly and is less than 2" deep. A high impact single sided dye-sub pillow case, zippered graphic easily installs on the framework. The lightweight expanding framework podium unit features an SEG Dye-Sub fabric graphic front and sides. The unit is easily transported (can ship UPS or FedEx) in wheeled soft-sided duffels, with the option for a hard sided wheeled case.

FEATURES

- Lightweight toolless framework assembly is quick and easy
- Lifetime warranty on framework components
- Vibrant dye-sub fabric backwall and podium graphics
- Can be used in a variety of booth space sizes
- Portable - wheeled soft-sided duffel (or hard case option)
- Can ship UPS or FedEx
