

Kit EL-WK40

EXPOLIGHT™

This ExpoLight™ portable backlit display system is designed to fit into a 10 x 10 inline exhibit space. It features a lightweight no tools required aluminum framework with lifetime warranty that uses the Build by Numbers™ assembly system. LED lighting created a bright white light for the rollable magnetically attached graphics panels, the stepped format creates interest, depth, and is visually appealing. This compact portable system ships in molded wheeled SC50 cases that can transport via UPS or FedEx.
