MULTIQUAD®

This MultiQuad® modular exhibit is designed to be used in a 10 x 20 inline configuration. Lightweight aluminum framework with lifetime warranty and magnetically attached Quads are easily assembled using the Build By Numbers™ system. The unit is designed to incorporate a 42" flush mounted monitor as well as a (2) 19" monitors using media mounts. The stepped back wall uses double Quads vertically as well as a 46" wide backlit image. The center section has a canopy with downlighting. The forward extending counter height provides separation as well as storage, while the POD1 podium units provide a demonstration or meet & greet area. Storage can be utilized inside podiums or along the back wall by removing any Quad. This unit ships in a traditional trade show crate via common carrier (there are optional UPS or FedEx cases available).
