MultiQuad®
The Last Exhibit You'll Ever Buy

Kit MQ-WK45

MULTIQUAD®

This lightweight portable MultiQuad® unit is designed to fit within a 10 x 10 exhibit space. The aluminum framework requires no tools for set up and uses the Build By Numbers™ assembly system. The back wall can house a 42" monitor using the media mount, while the front return has a double sided mount for up to a 19" monitor each side of the return. Front and visible sides are covered with magnetically attached Quads that feature your branding message. The forward facing return gives the exhibitor almost 17 linear feet of messaging space. Freestanding L-shaped podium provides a meet & greet area. Quads can be any color, message, graphic, or printed faux finish. This unit ships in molded wheeled cases via UPS or FedEx (an optional crate is available).

FEATURES

Lightweight aluminum frame with lifetime warranty

No tools required assembly

Easy to install (or change) Quads imprinted with our message

Storage within the back wall or podiums

Easily configured - can be added to

Ships UPS or FedEx in molded wheeled SC50 cases
