

## Kit EL-WK84

EXPOLIGHT™

This lightweight ExpoLight backlit table top display is designed to work with either a 6' or 8' show table. The 46" wide x 46" tall unit features a magnetically attached rollable backlit graphic, rear reflector shield and black end caps. The aluminum framework requires no tools for set up and is backed by a lifetime warranty. LED lighting is plug and play and helps illuminate your branding and imaging. The unit ships FedEx or UPS in a molded wheeled case and sets up in minutes.
