

Kit SL-WK50

SILHOUETTE™

This Silhouette™ unit features an ultra light aluminum framework with lifetime warranty that easily assembles using the Build By Numbers™ assembly system. The main backwall uses a dye-sub stretch fabric pillowcase style graphic with zippered closure at the bottom. Standing out from the back wall is another frame with dye-sub graphics that holds a monitor unit (not included) while creating depth to the unit. Out front is a free standing podium unit with internal shelf and dye sub graphic on three sides. This unit ships in soft-sided wheeled carry bags via UPS or FedEx. There is an option for molded wheeled SC90 cases for shipping.
