MultiQuad®
The Last Exhibit You'll Ever Buy

Kit MQ-WK51

MULTIQUAD®

This MultiQuad® portable exhibit is designed to fit into a 10 x 10 inline space. The lightweight aluminum framework of the unit uses a MediaMount that can house up to a 42" monitor (not included) that is flush fit. The left side counter unit provides product display or demonstration. The Build By Numbers™ assembly system requires no tools to set the unit up. The unit is covered on all front and sides with magnetically attached Quads printed with high impact graphics (these are easily reconfigured or changed out as needed). Storage can be had inside any of the framework by simply removing a Quad for access. The unit has a lifetime warranty on all framework. Ships in molded wheeled cases via FedEx or UPS.
