The Last Exhibit You'll Ever Buy

Kit MQ-WK52

MULTIQUAD®

This MultiQuad® table-top kit is designed to fit either a 6' or 8' show table and provide a bold branding opportunity in a smaller format. The lightweight aluminum framework requires no tools for assembly and has a lifetime warranty. All magnetically attached Quads are printed with high impact graphics for visual appeal. A low shelf at the left side allows for product placement while the low voltage LED light helps illuminate branding. The unit ships in a molded wheeled case that can ship FedEx or UPS.
