

# Kit TH-WK61

## THREADS™

This Threads™ lightweight portable display is designed to fit within a 10 x 10 exhibit space. The aluminum framework assembles without tools using the Build By Numbers™ assembly system and is backed by a lifetime warranty. The vivid high impact dye-sub fabric graphics easily attach using a hook and loop connection and zipper closure. Individual modules have graphics all four sides and can be rearranged, angled or spun around to reveal alternative marketing messages. Modules are ultra lightweight so they are easily moved. Units pack down and can ship FedEx or UPS in molded wheels cases.
