

Kit EL-WK62

EXPOLIGHT™

This ExpoLight™ portable display system is designed to fit within a 10 x 20 booth space. This LED backlit display consists of (5) 46" wide backlit modules with magnetically attached rollable backlit face graphics and black end cap side panels as well as closure / reflector rear panels. The individual modules can be reconfigured, angled, stepped, or placed inline. The framework is backed by a lifetime warranty. The unit sets up using the Build By Numbers™ assembly system and requires no tools. At the front corner is an L shaped MultiQuad podium unit that provides meet & greet or demo area as well as storage within the framework. This unit is designed to ship FedEx or UPS in molded wheeled cases.
