MULTIQUAD®

This MultiQuad® modular display system is designed to fit within a 10 x 10 floor space. The lightweight aluminum framework requires no tools for set up and assembles using the Build By Numbers™ assembly system and is backed by a lifetime warranty. The back wall uses a Media Mount that can accommodate up to a 42" monitor (not included) and has (2) down-lit showcases built into the back wall. The forward facing , side return has (2) down-lit see-thru showcase units that can be viewed from three sides. All visible surfaces (front, inset steps, and sides) are covered with magnetically attached high impact graphic Quads that can be any color, faux finish, or graphic desired.Out front there is a double wide freestanding podium unit with intermediate uplit shelf and laminated top. Storage is available along the back wall or within the podium by simply removing a Quad. The unit ships FedEx or UPS in molded wheeled shipping cases.
