

Kit EV-WK80

EVOLUTION®

This lightweight Evolution® pop-up style unit is designed to fit within a 10 x 20 inline configuration. It features (2) 10' wide units connected with a spanner panel, each unit with a pair of LED wall washer QuickSet™ lighting. The expanding framework with lifetime warranty sets up in seconds without tools. The rollable magnetically attached high-impact concave main graphic panels and end caps are easily attached or changed out as marketing and branding changes. Each unit ships in a molded wheeled shipping case that can go FedEx or UPS - each shipping container is provided with a case-to-podium conversion with top and graphic wrap. This unit can be "split" into (2) 10 x 10 units for separate use.
