

## Kit EV-WK96

### EVOLUTION®

This Evolution® 6' portable table-top display is designed to fit on a 6' or 8' trade show table yet presents a full height impression. The lightweight expanding aluminum framework is backed by a lifetime warranty and sets up in minutes. The rollable graphics attach magnetically to flexible support bars and provide a high impact visual across the two main panels as well as curved end caps. The QuickSet™ LED wall washer light illuminates the display and table area below. The unit conveniently packs in a molded wheeled shipping case that can ship FedEx or UPS.
