

Kit EV-WK74

EVOLUTION®

This 9' wide Evolution® pop up flat-wall display system is designed to fill a 10 x 10 exhibit space. This lightweight and easy to set up exhibit features a full graphic across the (3) flat main panels with (2) graphic end caps, while (2) LED wall washer QuickSet™ lights illuminate your branding.

Rollable panels easily attach magnetically to the framework. Lifetime warranty on framework components. Unit ships in a rotationally molded wheeled shipping container that has a case-to-counter conversion with graphic wrap and top.
